

As a participant in Our Savior's Lutheran Church Children's Programs, I understand that my child is expected to participate and be a respectful member of the group. We agree to uphold these standards which are in the Behavior Policy:

- ❖ To respect God and the church
- ❖ To respect the adults
- ❖ To respect other children and youth
- ❖ To participate and listen

These expectations are the foundation of loving, respectful conduct within the program. We want each gathering to be a safe, fun, positive and meaningful Christian experience for every child. Your child must honor these principles if you wish to be part of the group. If your child is unable to follow our rules or acting in any way that is harmful you will be called and required to bring your child home.

Please refer to the Behavior Policy for additional information.

I, _____ (Parent/Guardian), have read this covenant to my child and understand the Our Savior's Lutheran Church Behavior Policy and Children's Covenant. We pledge to honor this covenant and uphold all group standards. We understand the importance of appropriate behavior and understand the consequences of not doing so.
